To Whom It May Concern:

I have been extremely satisfied with the services that I have been receiving from Maid in Montreal. Elizabeth Thompson approaches each task with unlimited enthusiasm, she is meticulous and enjoys going above and beyond the call of duty. I would recommend these services to anyone who dose not have the time or desire to take care of many of the necessary chores. I now look forward to going home to a spotless apartment on Fridays (which is very new to me & my business partner) & now also going to a spotless office every Monday morning.

Thank you for everything,

Sincerely,

Kristy Powell & Jon Yellin
